Sub: Mining - Certificate of Approval - Renewal for 1951 - Application of Sri A.P.Ramaiah of Sandur - Proposals - Submitted.

Read: Govt. Memo No. 290 Dev. Dept. d. 4/5/50.
L.Dis. L 2371/50 d. 16/5/50 from the Board of Revenue, Madras.

The certificate of approval originally granted to Sri A.P.Ramaiah of Sandur was renewed for the year, 50 in the Government Memorandum quoted above. The applicant has applied for its renewal for the year 51 after remitting the requisite fee of Rs 50/- in chalan No. 169/28/12/50 in Hospet sub-treasury. The enquiries conducted by the Tahsildar, Sandur reveal that the financial status of the applicant is very uncertain, and that he depends on his partner's goodwill to invest capital into the business. He holds already a mining lease in the erstwhile Sandur State over an area of 130 acres for a period of ten years commencing from July 48. The value of all the immovable properties owned by him is estimated to be worth only Rs 14,000/- and this amount is just adequate to invest on the working of the mines which have been already held by him on lease. The Tahsildar, Sandur, reports that the applicant's solvency is not sufficient to enable him to apply for any fresh areas. Moreover, the applicant has not been doing any mining operations over the area already leased out to him.

P.T.O

In this connection, I invite the attention of the Board to Rule 12 of Chapter II of the Mineral Concession Rules 1949, according to which the expiry of the certificate of approval shall not affect the validity of the licence or lease already granted to the holder of such certificate.

In the circumstances, I submit that the application of Sri A.P.Ramaiah for the renewal of the certificate of approval for the year 1951 may be rejected as the applicant does not possess adequate financial capacities to apply for the grant of fresh prospecting licences or leases in addition to the one mining lease already held by him.

The application and the chalan for Rs 50/- are enclosed.

(True Copy)

For Joint Secretary.

Sub:MINES - Mining- Certificate of Approval - (Bellary) - Application of Sri A.P.Ramaiah of Sandur. Rejected- Appeal petition -

Ref:From Sri A.P.Ramiah petition~~s~~ d/25/9/52.

To A.S.

In G.O.No.3642 Dev. d/9/8/51, the application of Sri A.P.Ramiah of Sandur, Bellary district, for the renewal of the Certificate of Approval was rejected. Against this order he appealed to Govt.of India. The Govt.of India have after perusing the records in original and considering the remarks of this Govt. on the appeal have held that the appeal of Sri A.P.Ramiah is not admissible and have advised the appellant to pursue the matter directly with State Govt.

2. Now, the applicant has requested for the reconsideration of the decision of this Govt. refusing the renewal of the Certificate of Approval. It is submitted that appellant's application for renewal of certificate was rejected as the Collector of Bellary reported that the financial position of the applicant was not satisfactory, that he having little means to carry on operations himself, was depending on the help of his partners and that he was not conducting any mining operations in the area already leased to him in 1948.

3. In his appeal to the Govt.of India, Sri A.P.Ramiah has not cited in his favour any grounds for revision of the orders of this Govt. ~~Briefly~~ he has contended that the order was unjust. He has however stated that the reason for not commencing work in the area already leased to him, was that he was not given permission to cut trees in the area. The Collector has reported that though the Forest Department had given him the necessary permission, ~~he~~ his has not ~~worked~~ any appreciable quantity of minerals. The Collector considers that financial position of the applicant is not such as to ~~unable~~ enable him to undertake new concessions. He therefore considers that the appeal does not deserve consideration. In the circumstances the application of Sri Ramiah for the revision of the orders of this Govt. rejecting the application for renewal of the Certificate,

Approval need not be considered. ~~However the applicant may be informed that if his position improves, he may apply for a fresh certificate.~~ ~~Executive Secretary~~ Secretary. (For orders.
